

Adding Up the Benefits

Through the Ariba Discovery® service, you can:

- Access US\$5 billion of business opportunities every year
- Gain immediate access to decision makers in the buying cycle
- Automatically receive high-quality leads that match your capabilities—over 17 million sales leads were distributed to suppliers last year
- Showcase your company to your target customers
- Communicate with buyers interested in your business
- Get invited to nationwide contract opportunities
- Highlight any certifications, such as green initiatives and diversity classifications
- Join over 1 million suppliers across 20,000 categories in more than 190 countries

THE CHALLENGE OF FINDING NEW BUSINESS

Most suppliers devote significant time, money, and resources trying to promote their business and connect with new buyers. Yet the return on these efforts is often uncertain or even disappointing – advertising may not reach the right customers; prospects from trade shows are not always ready to buy; and database purchases yield too many “hot prospects” that turn out to be window shoppers rather than qualified buyers.

EASILY DISCOVER NEW BUSINESS OPPORTUNITIES

Get matched to active buyers on Ariba Discovery

You can transform your ability to find new buyers with the Ariba Discovery service, an effective lead-generation tool that helps you promote your company and access thousands of business opportunities quickly and easily. Buying organizations around the world use Ariba Discovery to find new suppliers, conducting US\$5 billion of business through the service each year.

Every time a new opportunity matches your business capabilities, Ariba Discovery sends an e-mail notification to you. By automatically receiving leads right in your in-box, you can reduce the effort and expense required to generate valid leads and boost your sales and marketing success.

EASY-TO-USE LEADS DASHBOARD

A user-friendly leads dashboard with smart automation and intuitive processing lets you efficiently manage leads and account activity all in one place.

The screenshot shows the SAP Ariba Leads Dashboard interface. Key features highlighted by callouts include:

- Receive buyer messages and send direct responses that go right to their in-box:** A callout points to the 'Messages' tab and a message from 'Bob Loblaw'.
- Stay on top of lead-related activity through real-time notifications:** A callout points to the 'Notifications' section on the right, which includes alerts like 'Sunmyvale Soundscapes related their interaction with you'.
- Obtain recommendations from satisfied customers via built-in reference feature:** A callout points to the 'My Rating and References' section, showing an average rating of 1 star and a reference from 'Sunmyvale Soundscapes'.
- Efficiently track and manage lead status – "New," "Best Match," or "Closing Soon" – via daily e-mail digest:** A callout points to the 'View Lead' button on a lead card for 'I'm looking for Notebook computers'.
- Get valuable feedback from buyer ratings:** A callout points to the 'Average Rating' and 'References' section.
